Dear Parents,

This is to inform you that the Ministry of Health & Family Welfare, Government of India has initiated Measles & Rubella (MR) Vaccine campaign across the country for the children from 9 months up to 15 years of age regardless of previous vaccination status. Health & Education Department will coordinate about the implementation of the MR vaccination in schools.

We would like to inform you that the vaccination will be administered to the students of our school on Tuesday, 27.11.2018. Every child will be vaccinated using the auto disabled syringes.

Children suffering from asthma, cancer, epilepsy & high fever must not be administered MR vaccine.

You are therefore requested to inform the school if your child is suffering from any of the above cited illness or if you have any other concern, in the prescribed proforma given below.

Expecting your cooperation.
